

Whitelisting Instructions

To ensure that you receive quotes, notifications or watch related bulletins from Watchuseek.com, we ask that you take a minute to **add us to your "safe" or permitted** email sender list.

What is a "whitelist"?

Adding our sending address (From:) to your list of accepted email senders (often referred to as a "whitelist", "safe list", or "list of privileged senders") will ensure that you receive your quote, notifications or other watch related messages.

How do I ensure that Watchuseek.com is on my "whitelist"?
